

2020 Wild Westover K9 Fitness & Fun Facility Rules

All dogs must be up to date on vaccines. This includes Rabies, Bordetella and Distemper. Titers are accepted.

Please pick-up after your dog and properly dispose it in trashcans. Please potty your dog before going on the dock or agility field. Female dogs in heat are NOT allowed at the facility.

No raw treats or raw food items allowed on the agility field. The agility field and pool will be closed during unsafe weather.

All dogs are expected to be non aggressive towards other dogs or humans. If your dog shows signs of aggression, we reserve the right to ask you to leave. If you have a reactive dog, please let us know up front and reserve private sessions only. Group Classes and Open Dock are for non reactive dogs only.

For the safety of your dog, we do not allow choker, shock, or prong collars on the dock or when training on the agility field. All dogs MUST be leashed at ALL times unless they are on the dock or on the agility field. You must keep your dog under control and use a 4-6 foot lead. No retractable leashes are permitted. During Private Sessions your dog is allowed to be "off leash" in the dock area or agility field only.

You will be responsible for any damage (dock, crates, agility equipment or property) caused by your dog.

Please closely supervise any accompanying minor children at all times. Do not leave dogs or children unattended in vehicles, regardless of the temperature.

No pushing your dog off the dock or forcing your dog on agility equipment. All toys being used in the pool must be floatable and non edible. All dogs should be clean, brushed and nails trimmed to protect the pool liner and agility equipment.
